The Card Security Code (CSC) is a 3-digit security code that is printed on the back of your Visa or MasterCard. The number appears on the signature strip after the last four digits of your account number. The signature strip may contain your entire account number or just the last four digits of your account number. Either way, the CSC will appear after the last four digits of your account number. The CSC is used to verify that you have possession of the credit card you are attempting to use.

I hereby authorise King Conventions to debit this credit card account for the total amount due as payment of my conference costs. I also consent to King Conventions debiting or crediting my credit card account of any subsequent change(s) to I make/agree to the items booked.
